7th November 2025

MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

I hope you had a lovely half term break.

The first day back was great fun, Miss S, Miss B junior, Mrs Knight and I took the eco committees from both our schools to Plymouth University for a climate action planning conference. We were joined by schools from Devon and Cornwall, participating in activities such as building future schools, planning for change and for sustainability and sharing our ideas. The DFE states that all schools have to have a Climate Action plan in place by the end of 2025 to ensure we are acting toward, and educating about, sustainability. Our children were amazing, they took to the microphone and were not afraid to share what they have done and what they plan to do for the future in our schools. We have yet to formulate the action plan as we will need more input from parents, governors and the other children. We will take parental views and ideas at the next parent governor meeting this half term. One of our groups won the competition for a future school with their wonderful design of a bamboo school, this will be displayed in the Sustainability hub at the Uni. I'm very proud of all who attended.

Have a lovely weekend.

Paula Blackburn

Wednesday 18th March

Parent coffee/cake meeting 2.30 pm

Thursday 30th April

Parent coffee/cake meeting 9.00 am

Monday 22nd June

Parent coffee/cake meeting 2.30 pm

GODREVY CLASS UPDATE

This week in Godrevy Class, we started with half of our children in Plymouth at a climate conference. While they were there they made a poster about our school, designed their own eco-school for 2035 and learnt about eco-ideas from other schools. Bohdi enjoyed designing a future school and his included bamboo walls. Those who were at school on Monday, learnt the Lambeth Walk in PE, which is a strutting dance from WW2 that was used to keep morale high.

Once we were all back together, we started reading our new book "When the Sky Falls" which has had an intriguing start to it. Also, in maths we have been learning about short division which was tricky to start with but we are all feeling much more confident with it now.

Finally, we received a letter this week from Praa Sands Short Mat Bowls Club, who use the Praa Sands Community Centre. They said that they really appreciated our collage work, which is on display at the centre and sent us a heart-warming photo of them pointing and smiling at all of our artwork. It was wonderful to hear from them.

ECO-SCHOOLS CHALLENGE - CUT YOUR CARBON

In November we will be taking part the national Eco-Schools challenge to Cut Your Carbon. After half term, you will receive a checklist for 6 challenges to do at home. We are challenging you to:

Make three evening meals plant-based across the month

Make any three journeys 'active' across the month

Meal plan to reduce food waste for one week

Lower your washing machine temperature to 30 degrees for three washes across the month

Have a device-free day

Turn down the heating by 1 degree for a week

At the end of November, we will be collecting your checklists and calculating our data to estimate our carbon savings as a school. Good luck!

Are you looking for a
Reception place for 2026?
