Message from Miss Blackburn

Dear parents and carers

I hope you had had a lovely week. We have done lots of exploring in the Isles of Scilly with the most beautiful weather. The children have been wonderful. Everywhere we go, people stop us to tell us how well behaved and polite our children are. They are a credit to you.

Have a lovely half term.

Paula Blackburn

MAZEY DAY

Mazey day after school art club are beavering away making jellyfish as part of our theme.

Our designs will include using recyclable materials, but we desperately need coloured plastic bottles – green, blue, brown – any colour, to make our Jelly fish sparkle, also if you have any ribbons or bright colourful material at home that you no longer need, we will definitely put them to good use!

If you have any of these items, please could you donate to school, to either myself, Miss Burns, or Mrs Bird,
thank you for your support!

There will be more information to follow about our Mazey Day procession, and I will send out more information shortly, we are just awaiting the timing of our parade, but please hold the date : Saturday 28th June! Will be lovely to see you all the

NO WASTE WEDNESDAY!

Great news! We have new recycling stations in each classroom including food waste bins. In order to reduce our waste and recycle/compost effectively we need to take some action.

Here is what our Eco-Club members have to say...

“We think our school has been wasting too much food and not recycling enough wrapping so we would like to introduce ‘No Waste Wednesday’ every week. In your packed lunch you can use reusable pots and tubs and if you do have wrappers make sure to put your rubbish in your lunch box so you can take your rubbish home to recycle!”

Each Wednesday, we will be weighing our food waste and black bins to monitor our waste.

We will be working with Kathryn to ensure that the right amount of food is prepared in the school kitchen. If you have a packed lunch, we encourage you to avoid individually wrapped items. For example, cut a chunk of cheese from a large block rather than bringing an individual portion.

Let’s all do our bit to work towards a ‘No Waste Wednesday’!
