# Choices influence equality

An inquiry into the actions that people take and the impact on equality.

**English**

Poetry

We will be writing seasonal poetry.

Non - Chronological reports

We will study and write reports focussing on significant people

Recount

We will write Christmas letters

Oracy

We will perform our Christmas play

**RE**

RE will be focused on delving into what it means to belong to a faith community.

**Music**

We will be learning songs ready for our Christmas Show

**Science**

In science we will be looking at the effect of the seasons on animals, plants and weather.

**PE**

<u>Hockey</u>

We will be developing our practical skills in hockey this half term, learning the appropriate techniques for dribbling, hitting, passing and tackling.

<u>Multi-skills</u>

We will also be continuing to develop our physical movements and sporting techniques.

**Maths**

We will be starting geometric reasoning this term, while developing further our number sense and additive reasoning.

**DT**

We will be learning how to master practical skills by using a running stitch to make Christmas cards.

**PSHE/RSE**

We will be learning about friendships and what makes a good friend.

**Inquiry (History Focus)**

Our inquiry will be focused on fairness and equality by understanding these concepts, learning about significant people, identifying what is fair and not fair in the world, and what we can do to help promote fairness.

**Computing**

We will be learning how to connect and communicate online safely through the Seesaw app.

**Languages**

We will be learning French songs and rhymes.
