

# **Message from Miss Blackburn**

Dear parents and carers,

Welcome back. We hope you had a wonderful Easter break. I would like to say a huge congratulations to Mr Watson and his wife, Lauren on the birth of their daughter, Florence. Mr Watson will return to school on 29th April after his paternity leave.

Next week, I have an appointment with our attendance officer from the local authority. As a local authority maintained school, we have to report our attendance figures to the attendance officer who then meets with me to discuss any persistent absence. Persistence absence is anything lower than 90% attendance and unfortunately we have a lot of children who fall into this category. I have recently looked at the data for the Spring term and if your child falls into this category, you will have received a letter today. Some cases cannot be helped and I am usually aware of these and able to put them into context when discussing with the attendance officer, it could be there was a long illness, an exceptional circumstance where the parent worked away and child had to go too, or any other exceptional circumstance. It is the sporadic, persistent attendance which will be discussed at length and if you do receive a letter and also fall into this category then the next step will be explained in the letter and could result in a meeting with the attendance officer. Our main priority however, is to support you and your child so if there is any way we can help or support then please drop me a line or give me a ring and we can arrange to meet to discuss. Our whole school attendance so far this year is 91.7% which is below Cornish (94.3%) and National (93%) averages and this could affect our ratings in future. Please help us to continue to be the wonderful school we are by supporting us in improving our attendance.

We are looking forward to hearing all about how much fun and adventure Y3/4 have on school camp next week! It will be a quiet week without them but we hope they have a wonderful time. Have a lovely weekend Paula Blackburn

Eco club - Mrs Knight

Growing season is upon us and we really want to get some fruit and vegetables growing in our garden and polytunnel. The children want to grow tomatoes, cucumber, beans, peas, potatoes, radish, strawberries, raspberries, and carrots. To get us started we are looking for donations of seeds, plants, compost and pots. We could also do with a hand to prepare the beds (weeding and preparing the soil). If you can help in any way, please let Mrs Knight know. Thank you!

# **BOOKS AND LIBRARIES**

Those of you that are avid readers of the newsletter will know that Mrs Nicholas and I have been doing our Unwin 'Libraries for Primaries' training. As a result of this, we have now taken delivery of our first 300 brand new library books! The Reading Ambassadors and I will spend some time unpacking these and then they will start appearing in your children's book bags. Please enjoy!

To make way for our new books, we have culled a lot of old stock. We have followed the maxim 'old and gold or new and bold' for this. Much of our stock was (very) dated, tatty, or duplicated. Having said that, there are some gems in there, and the Reading Ambassadors suggested we have a book sale to raise funds for a new library before we donate our old books. Therefore, they will be having an after-school book sale on Tuesday 23rd of April so please bring your change.

This brings me to the new library.

As you will know, our current library is not fit for purpose. It is certainly not the 'magical threshold' that Barack Obama talks about. Our vision is to create a reading space in Germoe School that will be welcoming, enticing, intriguing and a pleasure for all members of our community to use. Therefore, with the support of FROGS, we have decided to start the long road of raising funds to build a library on our school field. To this end, if you have any fundraising ideas or contacts, please get in touch with me or one of our friendly FROGS. This is a school community project that will only happen with the support of our fabulous community.

Many thanks!

Beth Reeves

# Information for all settings: Guidance on measles outbreaks

There have been recent localised outbreaks of measles centred around the West Midlands. There is a risk of further outbreaks in other areas unless urgent action is taken to increase Measles, Mumps and Rubella (MMR) vaccination take up in areas with low MMR vaccine rates.

Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools. The best protection against measles for children and adults is to get both doses of the MMR vaccine. It is never too late to have these vaccinations.

Academic and Pastoral Support

If you need help or have concerns regarding your child, please see your class teacher in the first instance. Discussion with your class teacher first will help them to meet the needs of your child. Further support can be sought by class staff, should this be needed.

# School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is: We will inform Cornwall Council so they can update their website We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS" If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone
