## MESSAGE FROM MISS BLACKBURN

Dear Parents and Carers

Well, it's been quite a crazy start to the new year! I'd like to say a big thank you for your patience and understanding. It has been difficult times but with the children and their needs at heart, we have managed to soldier on and keep as much normality and as little disruption to routine, education and well-being as we possibly can. The devastation caused by Goretta was huge at both our schools but staff were determined to get us up and running as quickly as possible. We are lucky to have such a dedicated team, who were willing to put on their gloves and woollies, pick up a shovel or wheelbarrow, a saw or a brush, carry, clean, tidy; things not in their job description but engrained in their passion for their role. We still have some tree surgeon work to do before the children can head back into the forest area but it's all systems go elsewhere, well done team!

It has been lovely listening to the stories the children have told us about their power cuts and how they enjoyed having family time with everyone in the same room and the experience of reading by candlelight or being read to by candlelight. I much prefer to hear the good outcomes of the storm!

Have a lovely, uneventful weekend!

Paula Blackburn

### **SONGFEST 2026**

It is that time once more, although Songfest will look quite different this year.

Mrs Segal will be running choir club after school on a Wednesday for Year 3 to Year 6 to rehearse the songs, assisted by Mrs. Penrose. All the songs this year will be based around the theme of Self Esteem.

The performance will be at St. John's Hall on Wednesday 11th March with other primary schools for our area but there will not be an audience this year in order to accommodate more singers.

We hope to take as many of choir club as possible but this will depend on available transport on the day.

Last year was a hugely enjoyable event for all and we hope that this year will be a similar success. Please make sure that your child signs up for choir in the usual way.

Mrs. Segal

## **GODREVEY CLASS UPDATE**

Unfortunately, we didn't come to school on Monday: the storm had damaged our school. This left us with a damaged decking area and fence outside our classroom. Miraculously, the tree missed our classroom! The forest though was obliterated. A bonus from this, means we have plenty of new wood for us to use on the playground and field- we already have lots of ideas about how to use it. Somehow a little dinosaur survived the storm in the forest- he now lives safely in our classroom.

This term, we have a new inquiry topic, we are learning about oceans and seas. So far we have explored: where to find the five oceans; the vast number of seas and how to use an atlas in more detail. We are looking forward to carrying out our own independent inquiry projects later this term and becoming ocean experts. Did you know there are more than 50 seas?

At the end of this week, we went swimming at Penzance Leisure Centre for the first time this year. We were split into four groups; then we swam. Some groups were working on their front crawl stroke, while others were focusing on their backstroke. This was a great opportunity to show off our swimming skills and have fun.

## **DONATED UNIFORM**

We have a selection of trousers, skirts, polo shirts, t-shirts, jumpers, tracksuits that have been donated and are free to a good home. If you are looking for some uniform please come to the office
