12th July 2024

Message from Miss Blackburn

Dear parents and carers,

I would like to congratulate our children on their stage production of "Porridge" this week. It was very funny and entertaining and every parent I spoke to spoke highly of their acting and singing abilities. Well done to all staff involved too. We will continue showing off our talents next week with Germoe's Got Talent. I hope to see you there supporting our children.

I would like to say a huge WELL DONE to all our year six children and congratulate them on their amazing SATs result. Your child's result will be on their reports which go out today although I'm sure they've shared them with you already! All the staff of year 6 have done them proud too.

Last week we said goodbye to our Swiss students and next week we will be welcoming our Romanian teachers and children who have heard so many wonderful things about our school that they raised funds to visit us. Please make them feel welcome if you see them.

Have a lovely weekend, Paula Blackburn

HEAD LICE

Cornwall council health department - information on the treatment of Head Lice

Wet combing method:

- Wash the hair with ordinary shampoo and apply plenty of conditioner.
- Use an ordinary, wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb.
- Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
- Draw the comb down from the roots to the ends of the hair with every stroke, and check the comb for lice each time - remove lice by wiping the comb with tissue paper or rinsing it.
- Work through the hair, section by section, so that the whole head of hair is combed through.
- Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.

IMPORTANT - Repeat this procedure on days five, nine and 13. Detection combing should be done on day 17, to check for any live head lice.

School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is: We will inform Cornwall Council so they can update their website We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS" If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone

Academic and Pastoral Support

If you need help or have concerns regarding your child, please see your class teacher in the first instance. Discussion with your class teacher first will help them to meet the needs of your child. Further support can be sought by class staff, should this be needed.

Important notice

For the respiratory health of our children who are learning outside, please turn off your engine in the car park.

Morning Drop-off

Please note that staff are not on duty until 8:45 and therefore please continue to supervise children if you arrive early on the playground until this time.

Godrevy CLASS UPDATE

This week we enjoyed performing the school play. It was a play full of twists and turns, crime and laughter. There was a myriad of 'dad jokes' which we hope you enjoyed. Joey's favourite part of the play was that he learnt an extra four lines on the spot, and Kyan's was when his character (Papa Bear) was put in handcuffs. Also this week it has been oracy week. Oracy week has been about speaking and listening. We have enjoyed watching Michael Rosen perform some of his poetry online. Jess's favourite poem was "Chocolate cake" because it was really funny and he performed with lots of actions, whereas Morgan's favourite was "Strict" because it was funny when he acted out his friend falling to the floor because the teacher had told them they couldn't breathe. Washing Up was Kyan's favourite because he could picture all the silly things happening as Michael Rosen spoke. Year 6s received SATS results this week, and Miss Blackburn has told us we are above the national average! Outside of school we have also been watching England play in the Euros. The most recent match was the semi-finals- where we felt extremely patriotic- when England beat the Netherlands and made it through to the finals. We have made our predictions about Sunday's results and are intrigued about what will happen. Hopefully England will lift the trophy! It's coming home!

Neurodiverse?

A new system will be operational from April, for the assessment pathway for Autism and ADHD. It's not yet up and running, but Parent Carer Cornwall have a linked site, which has some great information for parents about neurodiversity. If you'd like to take a look: <https://parentcarercornwall.org.uk/> and find the 'Neurodiversity Hub' tab at the top of the page

Smartphone information for parents

Please find below some links regarding smartphone usage for children. It was very kindly sent to us by one of our parents and it is interesting information for any parents/carers who are concerned about smartphones and social media for children. I hope you find it useful.....

Germoe Well-Being Borrowing Library

We have a few resources that are now available for you to borrow, relating to supporting wellbeing, emotions, anxiety, Autism, bereavement, trauma and activities to support wellbeing. The box will be available in the Office. Please use the 'sign out' sheet and return the item within two weeks. If you have books or resources that you no longer need or use, we would be very grateful for them, to support families further. Many thanks

Headstart Kernow

For children in Y5/6 and older - Headstart Kernow, have developed a mental health site for young people, made by young people with lots of helpful advice. If your child is in Y5 or 6, this may be something you would like to look at with them:

Charitable Sailing

From April to October local children and young people are taught the RYA syllabus, learning the fundamentals and working towards gaining internationally recognised qualifications. Group leaders tell us all the time that our impact carries with them off the water - into the classroom and beyond.

“ A child was placed in foster care the day before their first sailing session. The new foster carers were able to join the sailing session and build a bond with the child. Trust is an important quality for our pupils and water activities mean the children need to trust the adult to keep them safe. This is a brilliant way to build their relationship for our pupils and staff.”

6 of our current Dinghy Instructors started sailing with us at aged 8 as part of our charitable sailing programme!

Our Story

Since 1997, we've been providing sailing opportunities that are accessible to all. We believe that every young person should have the chance to experience the joy of being on the water, here in Cornwall.

Sailing isn't just about recreational fun, it's a transformative experience that improves mental health, builds water safety and confidence, having fun while gaining invaluable skills that last a lifetime.

Those colourful groups of sailing boats you've seen gliding over the Helford River. That sailing course your child enjoyed at primary school? That's us.
