Message from Miss Blackburn

Dear parents and carers

Thank you for your cooperation with the drop off times, it is really making a difference with the car parking. We will keep monitoring the situation to ensure it continues as it is.

Could I please remind you of our Harvest Festival coming soon. It will be held at Germoe church, everyone is welcome. There will be an auction of the goods after the service and all proceeds will go to Helston Food Bank. I hope to see you there.

Have a lovely weekend

Paula Blackburn

BLUE WATER PIPE

If anyone has any decent lengths of blue water pipe Tony would be very grateful for any donations please

GERMOE LANE ROAD CLOSURE

We have been informed by a parent that Germoe Lane will be closed on 7th October for 4 days from the school down to the village and there will only be access for residents.

DO NOT CLIMB THE GATES

Please can we ask that parents/carers do not climb the gates to enter or leave the premises. You will need to go to the office to be let out when the school is locked up between 9.00am and 3.00pm

PARKING OPTIONS

The Praa Sands Community Centre have very kindly offered their car park for parents to use in the mornings but it will need to be clear by 9.15am for the classes that have booked in. It can also be used on some afternoons if it is free (Mondays and Thursdays)

PERRANUTHNOE CLASS REQUEST

Hi All,

As the weather changes and we are settling into our new learning environment, there are a few things we are noticing that we need for our class:

Welly racks

Door mats

Crates

Planks

Tyres

If you have any unwanted items, we would love to rehome them.

Thanks!

Beth

HARVEST FESTIVAL

Friday 18th October at 2pm at Germoe Church

Please join us for our Harvest festival. This year we will be holding the service in church led by Vicar Susie, there will be songs and poems and....

A HARVEST AUCTION!

The Harvest service will be followed by the Harvest auction to raise money for Helston food bank, please bring along donations to be auctioned, such as home-grown produce, bread, cakes etc

We will have a non- uniform day on Friday 11th October in exchange for a donation of food to go towards the Harvest. Please bring you non-perishable goods in on this day, any perishable goods can be brought in on the day before or even on the day of the service.

All proceeds will go to Helston food bank.

Your donations are greatly appreciated.

Thank you for your continued support.

NEXUS – YEAR 6 FAMILIES

For any year 6 pupils interested in 'Nexus', they will be holding two masterclasses for year 6 students to attend:

Wednesday 16th October 3.45pm–5.30pm:

Nexus Liberal Arts Masterclass

This event will involve meeting current Nexus students, hearing about the Nexus Programme and then our expert staff will deliver 3 x 30 minute sessions in Modern Foreign Languages, History and English.

Thursday 24th October 3.45–5.30pm:

Nexus STEM Masterclass

This event will also involve meeting current Nexus students, hearing about the Nexus Gifted programme and then our expert staff will deliver 3 x 30 minute sessions in Computing, Maths and Science.

Both masterclasses will provide your child with an opportunity to experience our challenging curriculum as well as provide an opportunity for them to meet like-minded students from other schools. Please go to where you can then book onto one or both of the events using a Google Form.

About Nexus

Nexus is unique in Cornwall, providing state-funded specialist education to able and gifted young people. There is a strong focus on academic achievement, alongside a bespoke curriculum aimed to engage and challenge our students. Students join the programme in Year 7 following a rigorous assessment and interview process. Nexus is part of Camborne Science and International Academy and is situated on a separate campus next to Camborne train station as well as being only 5 minutes from the main bus station. As a consequence, Nexus attracts students from all over Cornwall from St Just to Padstow.

School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is: We will inform Cornwall Council so they can update their website We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS" If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone

Academic and Pastoral Support

If you need help or have concerns regarding your child, please see your class teacher in the first instance. Discussion with your class teacher first will help them to meet the needs of your child. Further support can be sought by class staff, should this be needed.

Smartphone information for parents

Please find below some links regarding smartphone usage for children. It was very kindly sent to us by one of our parents and it is interesting information for any parents/carers who are concerned about smartphones and social media for children. I hope you find it useful....

GODREVVY CLASS UPDATE

This has been a VERY busy week in Godrevy Class!

The Year Sixes went to Humphry Davy and Mounts Bay to test out what it is like in secondary school. In their science lesson they made "farts, boogers and wee", they added dry ice to the food coloured water and sodium hydrocarbonate- which made the "wee" change colour- this was Joey and Oskars' favourite part! When they finished their lunchtime they went to the football pitch and played penalty shoot-outs. Yesterday, was National Poetry Day. Year Fives read a poem called Paeon (or Eleven Uses for a Garden Pea) which was very exciting, we illustrated the poem and we were inspired to write our own. Bohdi's was about the eleven uses for a pasty, while Ciara's was about the uses for an apple. Today we all took part in a music workshop in Penzance. We were able to compose our own music with children from other schools and there were fascinating instruments all around. Our main theme for the morning was "water" and this was what we created our music about.

PRICE INCREASES FROM SEPTEMBER

Unfortunately, due to the cost of living rise and the restraint this has on our budget, we will have to make the following price increases from September: School meals will be £3 per day. Breakfast club will be £4 per child/£3 per child, if eligible for FSM (including food). After school care will be £4 per child/£3 per child, if eligible for FSM, for the first hour (including snack). A late charge of £4 per 15 mins (for each child) will be incurred due to staff staying later than contracted. Kindergarten snack will be £2 per week payable via School money We apologise for this but there is no other way to make our income and expenditure align.

New Dates - Autumn Term

Liven up the grey days with our art workshops for children and young people.

Autumn term dates for Kids Club and Porthmeor Art Collective:

29 Sep, 27 Oct, 24 Nov.

Young Life starts again on 3 Oct at 5pm.

[11 - 16 Years | Porthmeor Art Collective](#)

Workshops for young artists aged 11-16. Based at Porthmeor Studios, they are taught contemporary art practice by working artists and start finding their artistic voice.

[7 - 10 Years | Sunday Kids Art Club](#)

This is a Kids Art Club like no other, where children get to work on easels and use the same high art quality materials as our adults courses. They are taught by experienced artist tutors and start to take their first steps as young artists.

[Young Life](#)

Working from a clothed model, come and try your hand at life drawing. Taught by one of our most experienced tutors Steve Dove. This heavily subsidised session is made possible because of the generous support of our students and funders.

If you are a family on low income and would like support for your child to access these workshops, please email cat@schoolsartmailing.co.uk
