Message from Miss Blackburn

Dear parents/carers

I hope you have had a lovely week. It's been busy as usual here with lots of new learning going on for both staff and children.

I'd like to start by congratulating our amazing teaching assistant, Charlotte Laity, who played the lead role of Eva Peron in Evita last week at the Minack Theatre. I went to watch the production as did a lot of other staff and some of you and your children. She was amazing and we all thoroughly enjoyed it, well done Miss Laity.

Next week, as part of our Erasmus project, "Let's all go to the Theatre of European Dreams" we will have visitors from Greece, Romania, Turkey, Croatia, Malta and Bulgaria. Please do say hello if you see them. They will be visiting classes to learn all about our practice, particularly our inquiry based learning. Mrs Knight will be leading a course in inquiry learning for them and Mr Height will be leading a course in Music and well-being. We will also take them out and about to experience our culture and traditions to Helston Museum, the Lizard and St Michael's Mount.

I would like to say a huge thank you to pupils, staff, parents and governors who participated in our peer review this week. We had visiting headteachers from Heamoor, St Mary's CE and Trythall as part of a peer review process. We visit each others' schools once a term (alternately), visit classes, make observations, speak to children staff, parents and governors and then write a report about the many positive things we see, give advice or tips for any areas which may require a little improvement and magpie ideas from one another.

They loved our school and they have taken away many ideas to use at their own schools. We will receive the report in the next couple of weeks and I will share it with you at the next parent governor meeting.

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

CLASS UPDATE - PERRANUTHNOE

Sticky Meerstick is our new friend. We learnt about animals. He is a stick insect and plays dead when predators try to attack. He is a herbivore and he is nocturnal. We gave him a tank home and everything he needs to help him survive. We are not sure what his favourite plant is so we are trying oak, rose, bramble, blackberry, ivy, fern and hawthorn. We found some rocks for him to have shade on a sunny day.

From all of Year 2 (10 of us now!)

Flourescent tubes.

We have a selection of fluorescent tubes that are surplus to requirements – if you would one/some they are £2-00 each

School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is:

- We will inform Cornwall Council so they can update their website
- We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone
