## Message from Miss Symons

It's been a wonderful first week bac. The summer term is always such a busy one with both trips out and also events in school. Please do double check the diary dates section today to make sure nothing is missed.

Next week, we hope to see you on Wednesday for Sports Day - all children can come to school in their PE kits on this day. We look forward to also greeting hopefully many new families to our Open Afternoon on Thursday - please share the invite to anyone you think would be interested in joining us for this.

## MAZEY DAY

Mazey day after school art club are beavering away making jellyfish as part of our theme.

Our designs will include using recyclable materials, but we desperately need coloured plastic bottles - green, blue, brown - any colour, to make our Jelly fish sparkle, also if you have any ribbons or bright colourful material at home that you no longer need, we will definitely put them to good use!

If you have any of these items, please could you donate to school, to either myself, Miss Burns, or Mrs Bird,  
thank you for your support!

There will be more information to follow about our Mazey Day procession, and I will send out more information shortly, please hold the date : Saturday 28<sup>th</sup> June @ 1pm! Will be lovely to see you all the

## NO WASTE WEDNESDAY!

Great news! We have new recycling stations in each classroom including food waste bins. In order to reduce our waste and recycle/compost effectively we need to take some action.

Here is what our Eco-Club members have to say...

"We think our school has been wasting too much food and not recycling enough wrapping so we would like to introduce 'No Waste Wednesday' every week. In your packed lunch you can use reusable pots and tubs and if you do have wrappers make sure to put your rubbish in your lunch box so you can take your rubbish home to recycle!"

Each Wednesday, we will be weighing our food waste and black bins to monitor our waste.

We will be working with Kathryn to ensure that the right amount of food is prepared in the school kitchen. If you have a packed lunch, we encourage you to avoid individually wrapped items. For example, cut a chunk of cheese from a large block rather than bringing an individual portion.

Let's all do our bit to work towards a 'No Waste Wednesday'!

## PARKING

Please can we ask that you do not park on the pavement at the bottom of the playground and this means the pavement cannot be used and residents/parents/children have to walk in the road which can be dangerous.
