8th May 2026

Dear Parents and Carers,

It's been another busy and wonderful week at Germoe. It's been fantastic seeing all of our children, from Kindergarten up to Year 6 up on the field playing together recently and making the most of our fantastic outdoor space. Work on the forest has not been forgotten, we are still aiming to have it re-opened as soon as possible.

Next week our Year 6s will be sitting their SATS, and while these tests do not represent all of the fabulous skills we know they have, they are an opportunity for them to show off some of their learning from their time at Germoe. We ask that everybody is punctual next week so that the mornings can run as smoothly as possible.

I hope you have a wonderful weekend.

Miss Symons

PARKING PROBLEMS - WE NEED YOUR HELP!

We have a lot of cars trying to drop off and collect children twice a day. We don't have much space, and the car park often gets congested.

We have a large pile of logs in the corner of the car park that needs to be gone. Please help yourselves to wood! We also have a pile of rubble in the driveway - is anyone able to help clear this?

We also need your help for ideas. What suggestions might you have that would help to solve our parking problems? Follow this link to have your say - Germoe School Parking Solutions Survey - Fill in form

PAPAYA

Helping families to thrive in a digital age

Parenting in the **digital age** has never been more complex, with issues surrounding screen time, social media use, and gaming.

Many parents are concerned about their children's mental health, especially the impact of screens on it.

In this interactive talk, Nicola unpacks some of the **complex issues** surrounding smartphone use and, in a **non-judgmental** manner, aims to help you find solutions that work for your family.

Topics

- The link between mental health and wellbeing and spending too much time online
- Strategies for delaying the smartphone
- Strategies for families to achieve a healthy balance with technology
- Question and discussion time

"The talk is so relevant, full of insight and eye-opening. You will walk away inspired to connect, reflect, and find out more. I highly recommend it."

— Claire Curtis, parent and SFC volunteer.
