### Message from Miss Blackburn

Dear parents/carers,

Welcome back. I hope you have all had a lovely Summer. It was great to see you at the Welcome meeting, I know some couldn't make it so I will reiterate some of the points below.

Star of the Week – We will no longer be selecting a star of the week. There are a variety of reasons for this but the main one being that our children are all stars so we are focusing on intrinsic rewards where the praise is immediate and leads to increased motivation and self-direction.

Our underlying threads running through the whole of the curriculum from early years to year 6 will no longer focus on our family values but on our learner profiles. I have attached the IB learner profiles for you to take a look at. Children will focus on around 3 of the learner profiles per term to help them to become internationally minded young people who recognise their common humanity and shared guardianship of the planet to help create a better and more peaceful world.

Clubs – The clubs list will be sent to you today. These will run from 3.30-4.30pm and will be free. Except for after school care and breakfast club which are £3 per session.

Residentials – From year 2 down, they will be offered a sleepover at school. Y3/4 will go to YHA Okehampton and Y5/6 to PGL Outdoor Learning centre, Paris, France.

Volunteers – If you would like to volunteer to listen to readers, help with odd jobs around school, become a governor, help with FROGS/FOBS with fundraising then please do get in touch with the class teacher or send me an email. We are always really grateful for any extra help.

Communication – We see our parents as partners who play an important part in the educational development of your child. We are happy to be contacted at any time so please feel free to do so. This can be done in a variety of ways. There is a leaflet attached to tell you where information can be found and who to contact for various things. If you are unsure then please contact me or our secretaries, Anita/Linda and we will be happy to point you in the right direction. Most of our contact is via email. When sending class emails, we ensure personal email addresses are hidden for confidentiality and safeguarding purposes.

Punctuality – It is great to see children arriving on time, this has really improved since last year so let's strive to keep this up and continue in a positive way.

Home school promise – This is attached for you. Please read through it with your child and discuss it with them. It's a lovely way for you to talk about the first week back, how it went and what they are happy with etc.

I hope you all have a lovely weekend.

Miss Blackburn

# IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

## INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

## KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

## THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

## COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

## PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

## OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

## CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

## RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

## BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

## REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

## CLASS UPDATE - NYSGERRIG

We have had lots of fun in kindergarten this week, we have been exploring our beautiful outdoor learning space, playing in the water, sand, mud kitchen, reading den, large construction, climbing the wall, making potions, looking at nature, singing to our neighbours, the friendly cows in the next field, making friends and getting to know one another. We have also been looking at our faces and drawing self portraits. What a busy fun filled week!

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is:

- We will inform Cornwall Council so they can update their website
- We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone
