## Newsletter

6th October 2023

### Message from Miss Blackburn

Dear parents and carers,

I'd like to start by saying a huge well done to our year six children who have been to transition with their potential secondary schools this week. The feedback has been heart-warming. Our children were seen to be polite, caring, respectful and mature. Well done year 6!

I would also like to apologise for the confusion caused by the internet permission slip that went out this week. The consent box was taken out of context in an attempt to condense the information sent to you. The new form will be sent to you early next week along with our acceptable use and online safety policy so you can read it through for yourself and discuss it with your child. It is basically all around how we will ensure to keep your child safe through our filtering and monitoring systems when they are online and how they will keep themselves safe rather than permission to use the internet. If you have any questions or concerns after reading the policy and discussing it with your child then please do contact me. I am also the designated safeguarding lead for both schools and Mrs Larcombe/Mrs Rusga are the deputies so please feel free to contact either of us at any time if you have any safeguarding concerns of any nature.

Thank you for everyone who came to the parent governor meeting this week. It was lovely to see you and discuss all things school. As soon as I get around to it I will type up some of the ideas and share them with you. We would love to have more of you join us... we heard that some parents thought it sounded too formal and weren't sure if they were invited. Let me assure you, EVERYONE is invited so please come along. We have changed the name to "Coffee and Cake – all parents welcome" to make it sound more appealing! It's just a friendly, informal gathering of parents and myself (maybe a governor or 2 if they're around) to talk about what you like, what you think could be improved, how you can help, how we can help etc. Please bring goodies if you can, you can never have too much cake!

I will be heading to Greece with Mr Conway and some of our Boskenwyn year 5 and 6 children on Sunday to participate in a project with 6 other countries but I'm always available if you need me. The children as just as excited as us adults and we are looking forward to sharing our learning with you when we return.

Have a lovely Summery weekend!  
Miss Blackburn

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

## INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

## KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

## THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

## COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

## PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

## OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

## CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

## RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

## BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

## REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

- We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
