Message from Miss Blackburn

It was an exciting weekend for Mrs Nic/Miss Symons's class as they took their Greenpower cars to race at Goodwood. Congratulations to them all not just for their performance and participation but also for their brilliant behaviour and terrific teamwork.

Another big event last weekend was Mazey day. Thank you to all those involved in creating the structure, a huge glittery Cornish Lighthouse, led by Mrs Bird and her wonderful artistic flair. Unfortunately I was away that weekend but I saw the photos and was told how wonderful it was so thank you all for making it so special.

You will receive a letter from the DFE shortly regarding unauthorised absence and penalty notice, please read it carefully. If you have more than 10 sessions of unauthorised absence in a 10 week period then this can lead to a fine. We always do our best to help you when you need to take your children out so please just ask rather than take them out without requesting to because it will be unauthorised if so.

Thank you. Have a lovely weekend

Paula Blackburn

HEAD LICE

Cornwall council health department - information on the treatment of Head Lice
Wet combing method:

- Wash the hair with ordinary shampoo and apply plenty of conditioner.
- Use an ordinary, wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb.
- Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
- Draw the comb down from the roots to the ends of the hair with every stroke, and check the comb for lice each time - remove lice by wiping the comb with tissue paper or rinsing it.
- Work through the hair, section by section, so that the whole head of hair is combed through.
- Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.

IMPORTANT - Repeat this procedure on days five, nine and 13. Detection combing should be done on day 17, to check for any live head lice.

School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is: We will inform Cornwall Council so they can update their website We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS" If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone

Academic and Pastoral Support

If you need help or have concerns regarding your child, please see your class teacher in the first instance. Discussion with your class teacher first will help them to meet the needs of your child. Further support can be sought by class staff, should this be needed.

Important notice

For the respiratory health of our children who are learning outside, please turn off your engine in the car park.

Morning Drop-off

Please note that staff are not on duty until 8:45 and therefore please continue to supervise children if you arrive early on the playground until this time.

Neurodiverse?

A new system will be operational from April, for the assessment pathway for Autism and ADHD. It's not yet up and running, but Parent Carer Cornwall have a linked site, which has some great information for parents about neurodiversity. If you'd like to take a look: <https://parentcarercornwall.org.uk/> and find the 'Neurodiversity Hub' tab at the top of the page

Smartphone information for parents

Please find below some links regarding smartphone usage for children. It was very kindly sent to us by one of our parents and it is interesting information for any parents/carers who are concerned about smartphones and social media for children. I hope you find it useful....

Charitable Sailing
From April to October local children and young people are taught the RYA syllabus, learning the fundamentals and working towards gaining internationally recognised qualifications. Group leaders tell us all the time that our impact carries with them off the water - into the classroom and beyond.

Our Story
Since 1997, we've been providing sailing opportunities that are accessible to all. We believe that every young person should have the chance to experience the joy of being on the water, here in Cornwall.
Sailing isn't just about recreational fun, it's a transformative experience that improves mental health, builds water safety and confidence, having fun while gaining invaluable skills that last a lifetime.
