### MESSAGE FROM MISS BLACKBURN

Dear parents and carers

It's been a busy week at our schools this week. We've had bikeability sessions going on which the children have really enjoyed and have learnt so much about safety while out and about on their bikes. We have also had visits from the RNLI lifeguards for key stage 2 who have been learning all about beach and sea safety. Some children have been participating in sports and PE sessions and tournaments at Helston College. Some children have performed at Songfest with other children from schools across the county.

We are very proud of all of them and their achievements.

Our year 5 children were invited to a careers fair at Helston College. They gave me lots of positive feedback and said they were introduced to careers that they hadn't considered before. Some asked for more variety next time such as marine biology, animal welfare and others. If you have an interesting career that you would like to speak to the children about then please do let us know and this can be arranged, they are so curious!

Thank you for your continued support, have a lovely weekend.

Paula Blackburn

### MENU CHANGE - PASTIES THURSDAY 2<sup>ND</sup> APRIL

On the last day of term there will be a change to the menu, we will be having pasties, unfortunately there will not be any other options. If you child/ren would like a pasty please confirm by Monday 23<sup>rd</sup> March, this is the last day for ordering. There will be meat, vegan sausage rolls, vegan (vegetable) pasties and GF/WF sausage rolls

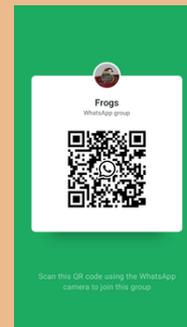

### PARENTS EVENING

Week commencing 23rd March we will be holding parents evenings. This means there will be no after school clubs other than Wraparound Care that week.

If you did not receive a letter to book a slot please contact your child's class teacher as soon as possible.

## NYSGERRIG CLASS UPDATE

This week in PE we have been learning the skills to play a game of netball by throwing a ball just over their head height and catching it, we went on to throw the ball using a netball pass. In Maths we have been looking at the inverse of numbers and column addition when adding bigger numbers. In Curious Quests, Professor Klunk presented us with a book set in Africa 'Handa's Surprise', we looked at possessive apostrophes and talked about where the story was set and how the book told the story by going on a journey, we also acted this out in continuous provision. In Science we are exploring different materials and looking at how they are used.

Perranuthnoe class would like to wish all our lovely Mothers a very happy Mother's day!

A big special thank you goes to Anna, Minna's mum, for helping to keep our cloakroom nice and tidy by building seats with storage for the children's bags and wellies, we are so very grateful! 😊

# Parent coffee events at Boskenwyn and Germoe

The coffee mornings at Boskenwyn and Germoe School are open to any parent or carer who feels their child may need a little extra support — whether they have a confirmed SEND diagnosis, are currently on a pathway, have no diagnosis at all, or are simply unsure and want to explore things further. You don't need paperwork or labels to come along. These sessions are designed to be a warm, friendly and completely non-judgemental space where you can chat, ask questions, share experiences, or just listen over a cup of coffee with others who understand. Everyone is welcome.

# Social Flourishing

Tuesday 31<sup>st</sup> March 2026 9.00-4.30

A one-day conference hosted by Cornwall's Autism in Schools Team and PINS (Partnerships for Inclusion of Neurodiversity in Schools)

Come and join us in person at Falmouth University (Penryn campus) for a full-day conference bringing together neurodivergent voices, educators and professionals to explore how we can support all children to flourish. Our speakers will share lived experiences, expert insights and practical strategies to support neurodivergent individuals across all settings.

Compered by [Robin Ince](#), comedian, author and broadcaster. His recent book, 'Normally Weird and Weirdly Normal', is described as 'a powerful, personal exploration of anxiety, ADHD and neurodiversity'.

## Keynote speakers

[Ben Kingston-Hughes](#): "Why Children Need Joy".

Ben Kingston-Hughes is an international keynote speaker, author and multi award-winning trainer. He works with vulnerable children across the UK and has appeared on television working on a variety of children's projects. His distinctive blend of humour, neuroscience and real-life experiences have made his training invaluable for anyone working with children. [Inspired Children](#)

[Suzy Rowland](#): "How do we nurture individuality and well-being in children within a mainstream school system that still leans into conformity and standardisation?"

Suzy Rowland delivers public speaking, neurodiversity training and community programmes that drive real inclusion and change. Through initiatives like It Takes a Village, Teen Girls Circle and the pioneering Happy in School Project CIC, she supports schools, families and organisations to better understand and empower neurodivergent children and young people. Suzy blends lived experience with academic insight to create environments where every voice is seen, heard and supported. [Suzy Rowland](#)

Please see schedule overleaf for details of the workshops.

Free for PINS Schools in Cornwall (2 free places per school) and all parents/carers.

Other school staff and professionals £75 for one place or £100 for two places booked together.
