

French

We will be learning to read and write whilst following different things we may find at a farm.

Maths

We will be focusing on additive reasoning and multiplicative reasoning. Following our main four operations of addition, subtraction, multiplication and division.

PSHE/RSE

Our big question for PSHE this half term is 'Why am I changing?' and 'Why is the world changing?'

PE**Rounders and Athletics**

We will be learning the rules for rounders and thinking about batting, catching, throwing and fielding. We will be using our athletics lessons to practice for sports day.

EnglishNarrative (Character descriptions)

We will be focusing on the language features required to write a character description and writing our own descriptions about a creature/being from Southern Australia.

Narrative (full)

We will also be writing our own stories based on what we have learned from our Cornwall My Home topic.

Cornwall My Home

How do physical characteristics vary between Cornwall and Australia?

RE

We will be learning about Cornwall and answering the question: 'How and why do people in Cornwall mark significant events in community life?'

Music

We will be learning to perform Music this half term, focusing on Cornwall My Home and South Australia.

Science

We will be focusing on the process of Scientific Investigations this half term and completing our own investigations by understanding and following this process.

Inquiry

Our inquiry will be focused on Cornwall and Australia. We will be looking into Aboriginal art and printing.

We will also be following the design process to make our own ocean-themed pulleys.
