Message from Miss Blackburn

Dear parents and carers

What an exciting week this has been with the Harvest festival and the talent show. The children were so brave and so talented! I'm sure we have many future stars in our midst who will be on the big screen in the future! Thank you for your wonderful contributions also, I don't have a final amount raised yet but I know we did well and will be able to contribute a fair chunk to both school and the Helston food bank.

It has been a long half term but a very pleasurable one. I'm sure you are looking forward to the rest over half term so enjoy, whatever you have planned!

Wishing you safe and happy holidays!

Paula Blackburn

A massive thank you to all of the FROGS team for organising the school disco's today, it was a great success and the children thoroughly enjoyed themselves.

Please note there will not be any afterschool clubs the first week back but there will still be Afterschool Care

POLITE NOTICE

It has been brought to our attention that some people are parking on the pavement, below the playground, at drop off and collection times. Please can we ask that you refrain from doing this as it means parents and children have to go into the road to get around the parked cars and this week an ambulance struggled to get past. Thank you

Look no further for a reception place for
your child for September 2024

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is:

- We will inform Cornwall Council so they can update their website
- We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone
