### **COMMON SENSE MEDIA**

Common Sense Media is a fantastic website which reviews online games, and apps which children may be using. We hugely recommend that you check out the reviews for apps and games your children may be playing as they helpfully explain how to set parental controls and explain the content and risks which your children may be exposed to. If you require any assistance navigating the site then please come and speak to Miss Symons. [www.common sense media.org](http://www.common sense media.org)

## **DISABILITY CORNWALL**

Disability Cornwall are running free sport activity sessions for children and young people aged 6-18 with additional needs or disability and their siblings on Monday 22 October, at both Cornwall College (Camborne) and Bodmin Leisure Centre.

They have been running since 2015 and are really popular and well loved. They are trying to reach new families who have never heard about them. If parents want to get a feel for the sessions they can have a look at the Facebook group which has more information and lots of photos. <https://www.facebook.com/groups/1406500166120324/>
