

# Germoe School Newsletter

23rd January 2026

## MESSAGE FROM MISS BLACKBURN

For the first time in 2026, we've been open all 5 days this week and it's been such a joy to see and hear the children enjoying spending time together and learning with their peers. There's always lots going on here at Germoe; this week after school clubs started again and it is worth checking out the list of opportunities in this newsletter to see if there is something which takes your child's fancy.

As the wet and windy weather is with us currently please make sure that all children come with appropriate clothing for being outdoors- coats are definitely needed at this time of year rain won't stop us heading outside.

We hope you have a brilliant weekend and we'll see you next week!

Paula Blackburn

## CHANGE OF MENU NEXT WEEK

Next Tuesday 27<sup>th</sup> January there will be a menu change as follows:  
Cheese and tomato pizza (Gluten and Dairy free available)  
Pepperoni pizza (Gluten and Dairy free available)  
both served with chips and beans

## Songfest 2026

It is that time once more, although Songfest will look quite different this year. Mrs Segal will be running choir club after school on a Wednesday for Year 3 to Year 6 to rehearse the songs, assisted by Mrs. Penrose. All the songs this year will be based around the theme of Self Esteem.

The performance will be at St. John's Hall on Wednesday 11th March with other primary schools for our area but there will not be an audience this year in order to accommodate more singers.

We hope to take as many of choir club as possible but this will depend on available transport on the day.

Last year was a hugely enjoyable event for all and we hope that this year will be a similar success. Please make sure that your child signs up for choir in the usual way.

Mrs. Segal

## KINDERGARTEN CLASS UPDATE

We have had another great week in Nysgerrig Kindergarten this week!

The children have had a great time exploring our outdoor spaces and seeing how all the rain has helped plants grow and muddle puddles appear! We have been using the guttering to make amazing water tunnels and structures.

We have also been hunting for mushrooms this week and, with gloves, created these amazing spore prints. We loved seeing all the different outcomes.

This afternoon, we also explored the watercolour paints, mixing the colours and painting different patterns!
